DEAR ECDO MEMBERS and FRIENDS!

In light of the ongoing COVID19 situation, we decided to postpone this year's ECDO-CDD meeting to 2021. We are naturally disappointed - this is the first time in 25 years that we have to move the meeting - but see it as the only option to have a successful meeting.

We plan to hold the next ECDO meeting from October 6 – 8, 2021, at the same location, organized by the same team – please mark the date in your diaries!

At this moment, we wish to thank the local organizers Stephen Tait, Michelangelo Campanella and Marion MacFarlane, for the excellent job done so far in organizing a great venue with a line up of speakers of exceptional value.

**We hope to see you all in 2021 at the next ECDO meeting!
In the meantime, please take care of yourselves, friends and families.**
